Re: Pritzker for Congress
FEC Identification Number C00310938
July 31, 1997 Mid-Year Report
U.S. House Illinois 9th Congressional District

To Whom It May Concern:

Enclosed please find the July 31, 1997 Mid-Year Report for Pritzker for Congress FEC identification number C00310938.

For your records, we have discovered a discrepancy between the actual amount of cash on hand per our bank and the amount which appears on the summary page of this report. At some point on one of the past reports, there was an accounting error that caused the total of cash on hand to appear \$994.80 greater than the actual amount of cash on hand. Our best efforts to date have traced the error back to 1995. We are continuing an internal audit and will file an amendment when the error is discovered.

Per my conversations with representatives of the FEC, this should be sufficient notice of the error. We will continue to make every reasonable effort to discover the source of the discrepancy. In the meantime, if the Commission should require any further documentation, we will do our best to comply.

Sincerely,

A handwritten signature in cursive script that reads "Lizette W. Bohn".

Lizette W. Bohn
