Please find the response to RAFI notice dated 01/30/23 in reference to the 30 Day Post-General Report (10/20/22-11/28/22)

The RAFI is related to the transfers from Take Back the House 2022 and stated that the last transfer received/reported on 3/29/22 indicated a transfer greater than the memo items.

Although I had indicated with this transaction that some donors were previously disclosed, I now understand that the FEC looks at the transfers on a year basis. Since this transfer led into the next year then it did not track the inclusion of the total transfers from 2021.

The transfers reported on 09/24/21 & 12/21/21 captured the memo items that were part of the transfer made on 3/29/22.

In closing the total transfers from Take Back the House 2022 had reported memo items greater than the actual transfers.

Please let me know if this does not clear this up.

Thank you,
Jinger Kelley
Treasurer
