Clarification of Campaign Contribution Policy and Operational Timeline.
The purpose of this filing is to provide a formal clarification for the public record regarding the financial activity and operational timeline of the LEEDS FOR PRESIDENT committee. The candidate, Neil G. Leeds, remains an active candidate for the Office of the President of the United States in the 2028 election cycle. However, the committee operates under a strict contribution deferral policy. Please note the following official parameters: Contribution Deferral: The campaign will not solicit, accept, or process any financial donations or contributions until September 14, 2027. Three-Year Anniversary Milestone: This specific start date marks the exact three-year anniversary of the date the candidate originally registered and announced his candidacy, which took place on September 14, 2024. Official Donation Activation: Online donations will formally open to the American public on September 14, 2027, under the banner: "Online Donations Opening September 14, 2027 three years to the day that Neil Leeds confirmed his run for President of the United States this campaign will officially begin accepting donations from the American People." Official Platform: The authorized website for all official campaign communications, policy placements, and future donation processing is iwontbebeat.com. This statement is submitted to ensure full transparency and compliance with Federal Election Commission reporting standards during this pre-donation operational phase.
