COMMITTEE
444 WEST 47TH STREET, SUITE 900

Response Due Date
04/08/2026

IDENTIFICATION NUMBER: C00652529

REFERENCE: YEAR-END REPORT (07/01/2025 - 12/31/2025)

Dear Treasurer:

This notice is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. The totals listed on Lines 21(b), 21(c), and 29, Column B of the Detailed Summary Page appear to be incorrect. Column B figures for the Summary and Detailed Summary Pages should equal the sum of the Column B figures on your previous report and the Column A figures on this report. Please file an amendment to your report to correct the Column B discrepancies for this report and all subsequent report(s) which may be affected by this correction. Note that Column B should reflect only the Calendar Year-to-Date totals. (52 U.S.C. §30104(b))
2. Schedule A supporting Line A of the Detailed Summary Page discloses a receipt for "Cash Balance Adjustment, See Form 99" for \$7,919.50. In a FEC Form 99 Miscellaneous Document filed 2/2/26, you state, in part, that there is "\$7,919.50 (surplus to FEC balance) for which the Committee could not find error source details in election cycles prior to the 2025-2026 cycle, but we believe they likely are errors due to uncashed checks and/or payroll contribution tracking." Please provide any clarifying information as to the details of this receipt and why this activity was not disclosed on the original report covering the period during which it took place.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will

be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
