Though this report is solely amended to disclose two contributions to Pennsylvania non-federal committees (see explanatory note on page 78), you will note that this amendment also discloses a different itemization of contributions from individuals than was disclosed on the original report. There is no overall change to the receipts. Please note that going forward in 2010, the PAC will follow an alternate method of itemizing payroll receipts rather than one suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected. Please update your records accordingly.
