Dear Treasurer:

This notice is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. The Commission notes the redesignation or reattribution of several contributions. Please amend your report to disclose the proper format for redesignations or reattributions. The first entry must disclose, as a memo entry, the information for the contribution as it was originally reported. The second entry must disclose, as a memo entry, the amount of the redesignation or reattribution as a negative amount. The third entry must disclose, as a memo entry, the information on the contribution as it was redesignated or reattributed, including the date the redesignation or reattribution was made and, in the case of a redesignation, the election for which the contribution was redesignated. (11 CFR § 104.8(d)(2), (3), and (4)) Please refer to the Campaign Guide for Congressional Candidates and Committees for further guidance on how to report redesignations and reattributions.

2. Schedule B of your report discloses disbursements to Management Personell Xchange for "Wages". Please be advised that when itemizing disbursements to companies for payroll services, if the payment to the salary recipient aggregates in excess of \$200 in an election cycle, a memo entry including the name and address of the individual receiving the salary, as well as the date, amount, and purpose of the original disbursement must be provided. Please amend your report to include the missing information or provide clarifying information if memo items are not required. (11 CFR § 104.9)
