Dear Reports Analysis Division:

Your letter requests additional information on an independent expenditure publicly disseminated on August 24, 2012. To the best of its recollection, the Committee processed the report for filing through its NGP software on the evening of August 26, within the 48-hour window, and was under the impression that the report was successfully filed in a timely manner on August 26. The Committee acknowledges the FEC's database recorded the report received at 9:22 a.m. on August

27. The Committee cannot now identify if this delay was caused by a software error or other technical problem.

With regard to the disbursements disclosed on Schedule B identified in your letter, these disbursements were not for independent expenditures, as defined in 11 C.F.R. ? 100.16.

Respectfully submitted,  
Greg Speed  
Treasurer
