This is in response to the RFAI dated 8-12-21.

In a previously filed response, dated 6-2-21, we proactively reported the five IE's noted in the FEC's 8-12-21 letter when realized the IE's would surpass the \$10,000 threshold. Since our 6-2-21 response, we have implemented measures to ensure we will be timely in our 48 hour reporting obligations.
