REFERENCE: YEAR-END REPORT (12/01/2025 - 12/31/2025)

Dear Mr. Kelley,

This statement is in response to the Commissions letter dated March 24, 2026, regarding three (3) items on the above-referenced report (the Original Report).

First, the Commissions letter requests clarification regarding the Committees administrative expenses. The Committees administrative expenses have been properly disclosed by the Committee either on Line 21(b) of Schedule B or allocated properly on Schedule H4. For the reporting periods referenced in the Commissions letter, the Committee did not disclose any payments for salary or wages on Schedule B supporting Line 30(b) of the Detailed Summary Page. The Committee allocated its salary and wages on Schedule H4 since none of its employees spent more than 25% of their time on Federal Election Activity (FEA) or activities in connection with a Federal election. These payments have been properly allocated.

Second, the Commissions letter requests clarification regarding payments to 23 HD Strategies and Hunter Craig disclosed on Schedule H4. The Committee has allocated the payment to 23 HD Strategies according to the funds received method reflected on Schedule H2 and has clarified the appropriate category for the Hunter Craig payment on the Amended Report being filed concurrently with this response.

Third, regarding a reimbursement to an individual disclosed on Schedule H4, the Committee has included the missing itemization on the Amended Report being filed concurrently with this response.

Please feel free to contact us if you have any further questions.

Sincerely,

Massachusetts Republican Party
