Reference: AMENDED YEAR-END REPORT (11/29/2022 - 12/31/2022), RECEIVED 04/15/2023

Dear Mr. Austin:

This statement is in response to your May 9, 2023 Request for Additional Information concerning two items related to the committee's above-referenced report ("Original Amended Report").

In regard to the first item identified in your letter, several contributions were not properly designated to the correct election and/or reported timely on the Original Amended Report. Accordingly, concurrently with this response, the committee is filing an amended version of the report ("Second Amended Report") to accurately reflect the proper election designations and note refunds that will appear on the committee's 2023 July Quarterly Report. Relatedly, under 11 C.F.R. § 110.1(b)(3)(ii), the committee had net debt debts outstanding from the general election as of election day, and the Second Amended Report properly reflects that the committee received one contribution designated for the retirement of general election debt during the year-end reporting period.

As to the second item identified in your letter, debts owed decreased by \$88,128.17 as a result of the committee's payment of invoices in that aggregate amount during the post-general reporting period, which are disclosed as debt payments on Schedule D of the committee's Amended Post-General Report filed on April 15, 2023. Specifically, the \$88,128.17 consists of itemized debt payments reflected on pages 288 (Line B), 289 (Line A), and 289 (Line B) of the committee's Amended Post-General Report, in addition to one unitemized debt payment, a \$49.00 disbursement to FP1.

Please feel free to contact me if you have any additional questions concerning this matter.

Sincerely,

Janna Rutland
Treasurer
