Dear Treasurer:

This notice is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule C of your report discloses loans from the candidate that appear to be possible expenditures paid by the candidate. A loan made to the committee by the candidate, including a loan of money derived from an advance on a candidate's brokerage account, credit card, or other lines of credit obtained by the candidate should be disclosed on Schedule C and, in some circumstances, Schedule C-1. (11 CFR §§ 104.3(d) and 104.11)

Please clarify the nature of the attached loans and amend the report, if necessary.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee.
