REFERENCE: JULY QUARTERLY REPORT (04/01/2026 - 06/30/2026)

Dear Mr. Austin,

This statement is in response to the Commissions letter to the Committee dated August 19, 2026, regarding two (2) items on the above-referenced report (Original Report).

First, the Commissions letter requests clarification regarding contributions from eighteen (18) individuals that appear to exceed federal contribution limits. All of the referenced contributors had their excessive contributions properly and timely redesignated or refunded. The relevant information will be reflected on the October Quarterly Report or the Amended Report being filed contemporaneously with this response.

Second, regarding contributions earmarked through a conduit, the Committee has disclosed the proper format for such contributions on the Amended Report being filed concurrently with this response.

Please feel free to contact us if you have any further questions.

Sincerely,

Bradley T. Crate  
Treasurer
