RE: RFAI 202109060300125663

Concerning the inquiry about Line 11(a)(ii) of the Detailed Summary Page of our April Quarterly Report (01/01/2021 ? 03/31/2021) disclosing \$2,558,631.61, we can confirm we have properly reported.

The campaign understands the rule requiring itemization of individual donors on Schedule A who have aggregated contributions for the election cycle-to-date of \$200 or more.

We have carefully evaluated the data records in our reporting software that make up the \$2,558,631.61 of contributions and concluded none of the donors met the Schedule A reporting threshold. We utilize a certified third-party vendor, FrontRunner to manage the data from the various contribution sources (i.e. Anedot, Stripe, Revv, WinRed, House Freedom Fund, HSP Mail, etc.) through its filing software. The software evaluates data for duplicate contributors to ensure receipts are aggregated properly and reported to the appropriate summary lines and schedules of the disclosure reports.

For the period referenced, the campaign recorded 99,652 receipts.

Most respectfully submitted,
