RE: Identification Number COO239947

Dear Ms. Reynolds:

The attached are amended reports which are a result of your letter of March 12, 1997 advising of corrections needed in our year end report. In researching to find out why the totals were not matching, an error was discovered in a computer generated report which was not matching actual payroll deductions on some employees. It did not affect what was actually deducted from any employee nor does it affect our bank balance. The error affected primarily the first three months and then once again to a much lesser degree in May. From that period on there were no more errors and the only changes are in cash on hand at beginning and end of each reporting period, and totals in receipts for period and ytd.

Sincerely,

Martha A. Garrett
