Response Due Date

IDENTIFICATION NUMBER: C00650150

REFERENCE: APRIL QUARTERLY REPORT (01/01/2023 - 03/31/2023)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- While it is permissible for a person to make a contribution for the general election prior to the primary election, the recipient committee must employ an acceptable accounting method to distinguish between primary and general election contributions. (11 CFR § 102.9(e)) This general election amount must be maintained in the committee's account.

Since the candidate is not seeking office and will not participate in the general election, any contribution received for the general election must be returned to the donors, in accordance with 11 CFR § 110.1(b)(3). The use of general election contributions to pay primary debts and obligations is prohibited under the Act as such use could result in individuals making contributions with respect to the primary election in excess of the \$3,300 per election limit. The Commission notes your additional explanation regarding the committee's corrective action taken for some of these contributions.

The attached general election contributions do not appear to have been remedied. Any subsequent report(s) filed with the Commission must disclose the refund of any general election contributions. Refunds must be done within 60 days after the candidate's announcement not to seek office/re-election.

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for any refund. Refunds are reported on Line 20(a), (b) or (c), as applicable, of

the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. (11 CFR § 104.8(d)(4))

Although the Commission may take further legal action, your prompt action to refund these contributions will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. For information about the report review process or specific filing information for your committee type, please visit www.fec.gov/help-candidates-and-committees. For more information about Requests for Additional Information (RAI), why you received a letter, and how to respond, please visit www.fec.gov/help-candidates-and-committees/request-additional-information.
