RE: 30 Day Post General Report (10/20/22 - 11/28/22)

Dear Ms. Robertson

I am in receipt of your letter dated March 29, 2023 regarding the aforementioned report. Please see below the explanation regarding your questions.

David Khoury - The refunded donations were a result of a transfer from the affiliated committee nominee fund in combination with his direct contributions to the committee through Winred. His total contributions donated through the affiliated nominee fund committee were \$5800. His total direct contributions via Winred to the committee total were \$5800 as well. Since nominee funds are not itemized on our report but the funds were still received he was issued a direct refund from the Becker for Congress committee in the amount of \$5800 -accounting for the affiliated nominee fund committee receipts. He was also issued a refund of \$2900 for the direct contribution to the committee that were received through his WinRed donations. Total contributions received for the General election \$11,600 - total refunds issued \$8700, leaving his election cycle to date total \$2900.

Alessandra McCarraher - This contributor's first itemized receipt was reflected on the October quarterly (contribution page 162 and refund on page 518). Her cycle to total amount is correct on this report. Additionally this contributor had another refund on 11/4 which was itemized. Total contributions for this contributor were \$217.50 and the total refunds issued were \$180, leaving her election cycle to date total \$37.50

All contributions received and refunds issued were reported per the affiliated committee transfers requirements and the itemization threshold requirements as outlined in the federal regulations.

At this time our committee believes to be in compliance.

Sincerely
Cameron Phillips
Treasurer
