Secession and Nullification Assertion Committee (SNAC) sole purpose is to return to the states all powers not explicitly granted to the Federal government in the US Constitution. To ensure the Federal government never again becomes tyrannical, the individual states will forever from the day I am elected have the power to nullify any Federal law/ruling. In addition, each state will be free to secede from the USA in an orderly fashion if ever it is deemed necessary by the people of that state to do so. SNAC is also resolutely against the 17th Amendment and will seek to have it repealed.
