NOTE FOR AMENDMENT #1 BEING FILED: This amendment corrects a problem stemming from the filing software attached reimbursement and credit card detail to the original debt rather than the eventual payment of items remaining unpaid at 3/31/08. The effect of this was to report erroneous debt balances on Schedule D at 3/31/08. This report corrects those balances and moves the detail of these payments from the 1st qtr (with the related debt) to the 2nd qtr (with the related payments). NOTE FROM ORIGINAL FILING OF THIS REPORT: This report shows all primary expenses and debt as ?primary,? whether recorded or paid before or after the primary date of 3/4/08, based on the purpose of the expense and when incurred. Additional primary funds were collected after the date of the primary in the total amount of \$28,972. \$1,300 of this was collected after 3/31/08 and is not on this report; it will be on the 2nd quarter 2008 report. Once combining all contributions received for the primary (\$585,181) and comparing them to all disbursements made for the primary (\$585,197) the campaign collected \$16 less than it spent for the primary overall, so less was collected after 3/5/08 to retire primary debt than the amount of that primary debt. Also, none of the general funds were used to pay for any primary expenses at any time. Please note that this filing includes \$172.06 of contributions the committee received that were earmarked contributions through the OH-02 Democratic Nominee Fund, which is a project of ActBlue, a non-connected federal political committee. These contributions were raised during the primary election period and earmarked for the eventual winner of a congressional primary election in accordance with FEC Advisory Opinion 1982-2-3. Therefore, these contributions are not subject to 11 C.F.R. 102.8 which requires that an earmarked contribution be forwarded within ten days of receipt. Rather, these contributions were properly forwarded within 10 days of the committee's primary election.
