Dear Bradley:

Josh Hawley for Senate (FEC ID# C00652727) is in receipt of your Request for Additional Information dated January 1, 2025, referencing our 2024 Post General FEC report for the period of (10/17/24-11/25/24).

With respect to the items identified in your letter, the Committee responds as follows:

•Item 1: US Israeli PAC

The US Israeli PAC FEC ID C00127811 donated \$1500 on Oct 10th 2024 to Josh Hawley for Senate. This donation is reported by their committee on page 8C of their Pre General 2024 report. Their committee listed this as a “campaign contribution” to our committee, there are no corresponding conduit attributions from individual contributors for this donation as it was a direct donation from their PAC.

Josh Hawley for Senate listed this as an earmarked contribution on our FEC report because this contribution was received thru Winred PAC to our committee due to the fact that the US Israeli PAC processed their donation via a credit card using the Winred PAC website which automatically generates an earmark attribution for any gifts that Josh Hawley for Senate receives from Winred.

However, we linked this donation to Line 11A instead of 11C. We have amended our report to reflect this edit.

Through this response, the Committee can confirm, as you requested, that the appropriate steps are being taken for each donation or issue in question and no further action is required under Commission regulations for these particular contributions at this time.

Please let me know if you have any questions 704-668-1993 or email at salpurpura2010@gmail.com.

Thanks,
