1) The process by which the Crawford for Congress campaign collects required employer and occupation information is as follows: When a contribution is received in person, the occupation and employer information is requested from the donating party. If a donation is received unsolicited via mail, the occupation and employer information is requested via phone from the donor. If the donation is received online, the employer and occupation information is required to complete the transaction. If these efforts to obtain the information prove unsuccessful, an information request card (along with a pre-addressed return envelope) is mailed to donor within 30 days clearly asking for the missing information and informing the donor of the requirements of federal law for the reporting of such information. If we are unable to collect the information, we populate each field with 'Information Requested' or 'Requested.'

2) The loan from the candidate has been extended until 4/19/11. This extension was not officially in place until 10/19/10, so the loan information contained in this report has not been updated. It will be updated on a subsequent report to reflect the new due date.

3) AR-01 Congressional Victory Committee--Only 2 of the donations related to this receipt were over the \$200 itemization threshold. They have now been itemized.
