The word "Note" means the note or credit agreement dated August 6, 1998, in the principal amount of \$45,000.00 from VAN HILLERAY FOR CONGRESS to Lender, together with all renewals of, extensions of, modifications of, refinancings of, consolidations of and substitutions for the note or credit agreement.

Related Documents. The words "Related Documents" mean and include without limitation all promissory notes, credit agreements, loan agreements, environmental agreements, guarantees, security agreements, mortgages, deeds of trust, and all other instruments, agreements and documents, whether now or hereafter existing, executed in connection with the indebtedness.

GRANTOR'S REPRESENTATIONS AND WARRANTIES WITH RESPECT TO THE COLLATERAL. With respect to the Collateral, Grantor represents and warrants to Lender that:

Ownership. Grantor is the lawful owner of the Collateral free and clear of all loans, liens, encumbrances, and claims except as disclosed to and accepted by Lender in writing.

Right to Grant Security Interest. Grantor has the full right, power, and authority to enter into this Agreement and to assign the Collateral to Lender.

No Further Transfer. Grantor will not sell, assign, encumber, or otherwise dispose of any of Grantor's rights in the Collateral except as provided in this Agreement.

No Defaults. There are no defaults relating to the Collateral, and there are no offsets or counterclaims to the same. Grantor will strictly and promptly do everything required of Grantor under the terms, conditions, promises, and agreements contained in or relating to the Collateral.

ASSIGNMENT OF DEPOSIT ACCOUNT
(Continued)

Proceeds. Any and all replacement or renewal certificates, instruments, or other benefits or proceeds related to the Collateral that are received by Grantor shall be held by Grantor in trust for Lender and immediately shall be delivered by Grantor to Lender to be held as part of the Collateral.

LENDER'S RIGHTS AND OBLIGATIONS WITH RESPECT TO THE COLLATERAL. While this Agreement is in effect, Lender may retain the right to possession of the Collateral, together with any and all evidence of the Collateral, such as certificates or passbooks. This Agreement will remain in effect until (a) there no longer is any indebtedness owing to Lender; (b) all other obligations secured by this Agreement have been fulfilled; and (c) Grantor, in writing, has requested from Lender a release of this Agreement.

EXPENDITURES BY LENDER. If not discharged or paid when due, Lender may (but shall not be obligated to) discharge or pay any amounts required to be discharged or paid by Grantor under this Agreement, including without limitation all taxes, fees, security interests, encumbrances, and other claims, at any time levied or placed on the Collateral. Lender also may (but shall not be obligated to) pay all costs for insuring, maintaining and preserving the Collateral. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses shall become a part of the indebtedness and, at Lender's option, will (a) be payable on demand, (b) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (i) the term of any applicable insurance policy or (ii) the remaining term of the Note, or (c) be treated as a balloon payment which will be due and payable at the Note's maturity. This Agreement also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon the occurrence of an Event of Default.

LIMITATIONS ON OBLIGATIONS OF LENDER. Lender shall use ordinary reasonable care in the physical preservation and custody of any certificate or passbook for the Collateral but shall have no other obligation to protect the Collateral or its value. In particular, but without limitation, Lender shall have no responsibility (a) for the collection or protection of any income on the Collateral, (b) for the preservation of rights against issuers of the Collateral or against third persons; (c) for ascertaining any maturities, conversions, exchanges, offers, tenders, or similar matters relating to the Collateral; nor (d) for informing the Grantor about any of the above, whether or not Lender has or is deemed to have knowledge of such matters.

EVENTS OF DEFAULT. Each of the following shall constitute an Event of Default under this Agreement:

Default on Indebtedness. Failure of Grantor to make any payment when due on the Indebtedness.

Other Defaults. Failure of Grantor to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement or in any of the Related Documents or in any other agreement between Lender and Grantor.

False Statements. Any warranty, representation or statement made or furnished to Lender by or on behalf of Grantor under this Agreement, the Note or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished.

Defective Collateralization. This Agreement or any of the Related Documents ceases to be in full force and effect (including failure of any collateral documents to create a valid and perfected security interest or lien) at any time and for any reason.

Insolvency. The dissolution or termination of Grantor's existence as a going business, the insolvency of Grantor, the appointment of a receiver for any part of Grantor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor.

Creditor or Foreclosure Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Grantor or by any governmental agency against the Collateral or any other collateral securing the Indebtedness. This includes a garnishment of any of Grantor's deposit accounts with Lender.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the Indebtedness or such Guarantor dies or becomes incompetent.

Adverse Change. A material adverse change occurs in Grantor's financial condition, or Lender believes the prospect of payment or performance of the Indebtedness is impaired.

Insecurity. Lender, in good faith, deems itself insecure.

RIGHTS AND REMEDIES ON DEFAULT. Upon the occurrence of an Event of Default, or at any time thereafter, Lender may exercise any one or more of the following rights and remedies, in addition to any rights or remedies that may be available at law, in equity, or otherwise:

Accelerate Indebtedness. Lender may declare all indebtedness of Grantor to Lender immediately due and payable, without notice of any kind to Grantor.

Application of Account Proceeds. Lender may obtain all funds in the Account from the issuer of the Account and apply them to the Indebtedness in the same manner as if the Account had been issued by Lender. If the Account is subject to an early withdrawal penalty, that penalty shall be deducted from the Account before its application to the Indebtedness, whether the Account is with Lender or some other institution. Any excess funds remaining after application of the Account proceeds to the Indebtedness will be paid to Grantor as the interests of Grantor may appear. Grantor agrees, to the extent permitted by law, to pay any deficiency after application of the proceeds of the Account to the Indebtedness. Lender also shall have all the rights of a secured party under the Tennessee Uniform Commercial Code, even if the Account is not otherwise subject to such Code concerning security interests, and the parties to this Agreement agree that the provisions of the Code giving rights to a secured party shall nonetheless be a part of this Agreement.

Collect the Collateral. Lender may collect any of the Collateral and, at Lender's option and to the extent permitted by applicable law, may retain possession of the Collateral while suing on the Indebtedness.

Sell the Collateral. Lender may sell the Collateral, at Lender's discretion, as a unit or in parcels, at one or more public or private sales. Unless the Collateral is perishable or threatens to decline speedily in value, Lender shall give or mail to Grantor, or any of them, notice at least ten (10) days in advance of the time and place of public sale, or of the date after which private sale may be made. Grantor agrees that any requirement of reasonable notice is satisfied if Lender mails notice by ordinary mail addressed to Grantor, or any of them, at the last address Grantor has given Lender in writing. If public sale is held, there shall be sufficient compliance with all requirements of notice to the public by a single publication in any newspaper of general circulation in the county where the Collateral is located, setting forth the time and place of sale and a brief description of the property to be sold. Lender may be a purchaser at any public sale.

Register Securities. Lender may register any securities included in the Collateral in Lender's name and exercise any rights normally incident to the ownership of securities.

Sell Securities. Lender may sell any securities included in the Collateral in a manner consistent with applicable federal and state securities laws, notwithstanding any other provision of this or any other agreement. If, because of restrictions under such laws, Lender is or believes it is unable to sell the securities in an open market transaction, Grantor agrees that (a) Lender shall have no obligation to delay sale until the securities can be registered, (b) Lender may make a private sale to a single person or restricted group of persons, even though such sale may result in a price that is less favorable than might be obtained in an open market transaction, and (c) such a sale shall be considered commercially reasonable. If any securities held as Collateral are "restricted securities" as defined in the Rules of the Securities and Exchange Commission (such as Regulation D or Rule 144) or state securities departments under state "Blue Sky" laws, or if Grantor, or any of them (if more than one), is an affiliate of the issuer of

the securities, Grantor agrees that Grantor will neither sell nor dispose of any securities of such issuer without obtaining Lender's prior written consent.

Transfer Title. Lender may effect transfer of title upon sale of all or part of the Collateral. For this purpose, Grantor irrevocably appoints Lender as its attorney-in-fact to execute endorsements, assignments and instruments in the name of Grantor and each of them (if more than one) as shall be necessary or reasonable.

Application of Proceeds. Lender may apply any cash which is part of the Collateral, or which is received from the collection or sale of the Collateral, to (a) reimbursement of any expenses, including any costs of any securities registration, commissions incurred in connection with a sale, attorney fees as provided below and court costs, whether or not there is a lawsuit and including any fees on appeal, incurred by Lender in connection with the collection and sale of such Collateral, and (b) to the payment of the indebtedness of Grantor to Lender, with any excess funds to be paid to Grantor as the interests of Grantor may appear.

Other Rights and Remedies. Lender shall have and may exercise any or all of the rights and remedies of a secured creditor under the provisions of the Tennessee Uniform Commercial Code, at law, in equity, or otherwise.

Deficiency Judgment. If permitted by applicable law, Lender may obtain a judgment for any deficiency remaining in the indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this section.

Cumulative Remedies. All of Lender's rights and remedies, whether evidenced by this Agreement or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor under this Agreement, after Grantor's failure to perform, shall not affect Lender's right to declare a default and to exercise its remedies.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Agreement:

Amendments. This Agreement, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Applicable Law. This Agreement has been delivered to Lender and accepted by Lender in the State of Tennessee. If there is a lawsuit, Grantor agrees upon Lender's request to submit to the jurisdiction of the courts of Davidson County, State of Tennessee. Lender and Grantor hereby waive the right to any jury trial in any action, proceedings, or counterclaim brought by either Lender or Grantor against the other. This Agreement shall be governed by and construed in accordance with the laws of the State of Tennessee.

Attorneys' Fees; Expenses. Grantor agrees to pay upon demand all of Lender's costs and expenses, including attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Agreement. Lender may pay someone else to help enforce this Agreement, and Grantor shall pay the costs and expenses of such enforcement. Costs and expenses include Lender's attorneys' fees and legal expenses whether or not there is a lawsuit, including attorneys' fees and legal expenses for bankruptcy proceedings (and including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Grantor also shall pay all court costs and such additional fees as may be directed by the court.

Notices. All notices required to be given under this Agreement shall be given in writing, may be sent by telefacsimile (unless otherwise required by law), and shall be effective when actually delivered or when deposited with a nationally recognized overnight courier or deposited in the United States mail, first class, postage prepaid, addressed to the party to whom the notice is to be given at the address shown above. Any party may change its address for notices under this Agreement by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. To the extent permitted by applicable law, if there is more than one Grantor, notice to any Grantor will constitute notice to all Grantors. For notice purposes, Grantor will keep Lender informed at all times of Grantor's current address(es).

Power of Attorney. Grantor hereby appoints Lender as its true and lawful attorney-in-fact, irrevocably, with full power of substitution to do the following: (a) to demand, collect, receive, receipt for, sue and recover all sums of money or other property which may now or hereafter become due, owing or payable from the Collateral; (b) to execute, sign and endorse any and all claims, instruments, receipts, checks, drafts or warrants issued in payment for the Collateral; (c) to settle or compromise any and all claims arising under the Collateral, and, in the place and stead of Grantor, to execute and deliver its release and settlement for the claim; and (d) to file any claim or claims or to take any action or institute or take part in any proceedings, either in its own name or in the name of Grantor, or otherwise, which in the discretion of Lender may seem to be necessary or advisable. This power is given as security for the indebtedness, and the authority hereby conferred is and shall be irrevocable and shall remain in full force and effect until renounced by Lender.

Severability. If a court of competent jurisdiction finds any provision of this Agreement to be invalid or unenforceable as to any person or circumstance, such finding shall not render that provision invalid or unenforceable as to any other persons or circumstances. If feasible, any such offending provision shall be deemed to be modified to be within the limits of enforceability or validity; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of this Agreement in all other respects shall remain valid and enforceable.

Successor Interests. Subject to the limitations set forth above on transfer of the Collateral, this Agreement shall be binding upon and inure to the benefit of the parties, their successors and assigns.

Waiver. Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Grantor, shall constitute a waiver of any of Lender's rights or of any of Grantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

GRANTOR ACKNOWLEDGES HAVING READ ALL THE PROVISIONS OF THIS ASSIGNMENT OF DEPOSIT ACCOUNT AND AGREES TO ITS TERMS. THIS AGREEMENT IS DATED AUGUST 6, 1998.

Lender: First American National Bank

Principal Amount: \$48,000.00

Interest Rate: 8.500%

Date of Note: August 6, 1998

PROMISE TO PAY. VAN HILLERAY FOR CONGRESS ("Borrower") promises to pay to First American National Bank ("Lender"), or order, in lawful money of the United States of America, the principal amount of Forty Five Thousand & no/100 Dollars (\$45,000.00), together with interest at the rate of 8.500% per annum on the unpaid principal balance from August 6, 1998, until paid in full.

PAYMENT. Borrower will pay this loan in one principal payment of \$45,000.00 plus interest on January 17, 1999. This payment due January 17, 1999, will be for all principal and accrued interest not yet paid. The annual interest rate for this Note is computed on a 365/360 basis that is, by applying the ratio of the annual interest rate over a year of 360 days, multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding. Borrower will pay Lender at Lender's address shown above or at such other place as Lender may designate in writing. Unless otherwise agreed or required by applicable law, payments will be applied first to accrued unpaid interest, then to principal, and any remaining amount to any unpaid collection costs and late charges.

PREPAYMENT. Borrower agrees that all loan fees and other prepaid charges charged are earned fully as of the date of the loan and will not be subject to refund upon early payment (whether voluntary or as a result of default), except as otherwise required by law. Except for the foregoing, Borrower may pay without penalty all or a portion of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments under the payment schedule. Rather, they will reduce the principal balance due.

LATE CHARGE. If a payment is 15 days or more late, Borrower will be charged 8.000% of the regularly scheduled payment.

DEFAULT. Borrower will be in default if any of the following happens: (a) Borrower fails to make any payment when due; (b) Borrower breaks any promise Borrower has made to Lender, or Borrower fails to comply with or to perform when due any other term, obligation, covenant, or condition contained in this Note or any agreement related to this Note, or in any other agreement or loan Borrower has with Lender; (c) Any representation or statement made or furnished to Lender by Borrower or on Borrower's behalf is false or misleading in any material respect either now or at the time made or furnished; (d) Borrower becomes insolvent, a receiver is appointed for any part of Borrower's property, Borrower makes an assignment for the benefit of creditors, or any proceeding is commenced either by Borrower or against Borrower under any bankruptcy or insolvency laws; (e) Any creditor files to take any of Borrower's property on or in which Lender has a lien or security interest. This includes a garnishment of any of Borrower's accounts with Lender; (f) Any guarantor dies or any of the other events described in this default section occurs with respect to any guarantor of this Note; (g) A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of the indebtedness is impaired; (h) Lender in good faith deems itself insecure.

LENDER'S RIGHTS. Upon default, Lender may declare the entire unpaid principal balance on this Note and all accrued unpaid interest immediately due, without notice, and then Borrower will pay that amount. Upon default, including failure to pay upon that maturity, Lender, at its option, may also, if permitted under applicable law, do one or both of the following: (a) increase the interest rate on this Note to 24.000% per annum; and (b) add any unpaid accrued interest to principal and such sum will bear interest therefrom until paid at the rate provided in this Note (including any increased rate), but in no event at an effective total interest rate on this Note greater than the rate permitted by applicable law. Lender may hire or pay someone else to help collect this Note if Borrower does not pay. Borrower also will pay Lender that amount. This includes, subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses whether or not there is a lawsuit, including attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. If not prohibited by applicable law, Borrower also will pay any court costs, in addition to all other costs provided by law. This Note has been delivered to Lender and accepted by Lender in the State of Tennessee. If there is a lawsuit, Borrower agrees upon Lender's request to submit to the jurisdiction of the courts of Davidson County, the State of Tennessee. Lender and Borrower hereby waive the right to any jury trial in any action, proceeding, or counterclaim brought by either Lender or Borrower against the other. This Note shall be governed by and construed in accordance with the laws of the State of Tennessee.

DISHONORED ITEM FEE. Borrower will pay a fee to Lender of \$15.00 if Borrower makes a payment on Borrower's loan and the check or preauthorized charge with which Borrower pays is later dishonored.

LOAN CHARGES. Borrower is obligated to Lender for loan charges (excluding in the aggregate 4% (or such lesser amount, as is permitted by applicable law) of that portion of the principal indebtedness evidenced by this Note that is not derived from a payment, renewal, or refinancing of a prior indebtedness of Borrower to Lender or an affiliate of Lender, but such loan charges shall be due and owing only to the extent of (i) actual closing costs, including reasonable attorneys' fees, and Lender's standard document preparation fees for similar purposes of credit, incurred in connection with this Note and with any extensions, renewals, and refinancings hereof; and (ii) Lender's then-standard prepayment fee, in the event this Note or any extension, renewal, or refinancing is prepaid in whole or in part. Subject to the foregoing limits, Borrower's obligation under this paragraph shall survive the full payment or satisfaction of this Note by means of any subsequent extension of credit from Lender.
