Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. The Commission notes the redesignation or reattribution of several contributions. Please amend your report to disclose the proper format for redesignations or reattributions. **The first entry must disclose, as a memo entry, the information for the contribution as it was originally reported.** The second entry must disclose, as a memo entry, the amount of the redesignation or reattribution as a negative amount. The third entry must disclose, as a memo entry, the information on the contribution as it was redesignated or reattributed, including the date the redesignation or reattribution was made and, in the case of a redesignation, the election for which the contribution was redesignated. (11 CFR § 104.8(d)(2), (3), and (4)) Please refer to the Campaign Guide for Congressional Candidates and Committees for further guidance on how to report redesignations and reattributions.

However, it appears that your committee refunded an amount greater than the original contribution(s). Please amend the appropriate report(s) to disclose the original contribution or provide clarifying information. (52 U.S.C. § 30104(b) (formerly 2 U.S.C. § 434(b)) and 11 CFR § 104.3(a) & (b))
