APPENDIX I — May 12, 1998, Letter from the Bank to Borrower

CREDIT AND SECURITY AGREEMENT

This Credit and Security Agreement ("Agreement") is entered into as of this 18 day of June, 1998, by and between the Republican National Committee, an unincorporated association with an office and principal place of business at 310 First Street, S.E., Washington, D.C. 20003 ("Borrower"), and First Union National Bank, a national banking association with offices at 1970 Chain Bridge Road, McLean, Virginia 22102-3915, hereinafter called "the Bank".

PRELIMINARY STATEMENT

Borrower has requested that the Bank extend a secured line of credit to Borrower in the amount of $5,000,000, and the Bank is prepared, subject to the terms and conditions of this Agreement, to provide such line of credit to Borrower.

NOW THEREFORE, the Bank and Borrower hereby agree as follows:

ARTICLE I

Section 1.1. Line of Credit. The Bank agrees, on the terms and conditions hereinafter set forth, to make advances of loan proceeds (collectively "Advances") to Borrower from time to time during the period from the Closing Date to and including March 30, 1999 (the "Availability Period"), in an aggregate amount outstanding at any time not to exceed $5,000,000 (the "Line of Credit"). All Advances under the Line of Credit will be evidenced by a single promissory note, in the principal amount of $5,000,000, in the form attached as Exhibit A hereto (the "Note"), with a maturity date of March 31, 1999. Each Advance shall be in the minimum amount of $25,000 or multiples thereof.

Section 1.2. **Advances.** Each Advance will be made upon notice from Borrower to the Bank, specifying the amount requested. The notice may be by telephone, but must be confirmed in writing within one business day of the date of the Advance. If notice is received by the Bank prior to 12:00 noon Eastern Time (standard or daylight, as in effect) the requested Advance shall be available to Borrower the same day. If notice is received after 12:00 noon Eastern Time, the requested Advance will be available the following Business Day.

Section 1.3. **Use of Proceeds.** All proceeds of Advances hereunder will be used to fund disbursements relating to the 1998 election cycle and timing differences between receipts of fundraising contributions and incurrence of disbursements.

Section 1.4. **Interest and Repayment.** The Note is payable at its maturity date, March 31, 1999. Borrower shall pay to the Bank interest upon the aggregate unpaid principal amount under the Note, payable on the last day of each month commencing with the first month in which an Advance is made and continuing until the Note has been paid in full, at a rate per annum (calculated on the basis of the actual number of days elapsed over a year of 365 days), equal to the lower of either (a) the Bank's prime rate of interest in effect from time to time as announced by the Bank as such prime rate ("the Prime Rate") or (b) the LIBOR Market Index Rate plus 175 basis points, as that rate may change from day to day ("the LIBOR-Based Rate"), as determined by the Bank for each day during the term of the Note. The Prime Rate is one of several interest rate bases used by the Bank, and the Bank lends at rates both above and below the Prime Rate. Borrower acknowledges that the Prime Rate is not represented or intended to be the lowest or most favorable rate of interest offered by the Bank. In the event of any dispute as to the Prime Rate or the LIBOR Market Index Rate, a certificate executed by any Senior Vice

President of the Bank stating the percent per annum constituting the Prime Rate or the LIBOR Market Index Rate, as applicable, and the date of its effectiveness shall be conclusive absent manifest error. "LIBOR Market Index Rate" for any day is the rate for one month U.S. dollar deposits as reported on Telerate page 3750 as of 11:00 a.m., London time, on such day, or if such day is not a London business day, then the immediately preceding London business day (or if not so reported, then as determined by the Bank from another recognized source or interbank quotation).

Borrower may make prepayments under the Note at any time in the minimum amount of $25,000 and, subject to the terms and conditions hereof, may reborrow during the Availability Period.

Section 1.5. **Default Rate; Late Charge**. In the event that Borrower fails to pay any amount of principal or any other amount (other than interest) payable by Borrower hereunder when due, whether by acceleration, at the stated maturity, or otherwise, and the Bank notifies Borrower that it is in default and that it must therefore pay interest at a higher rate, then Borrower shall pay interest on any such unpaid amount for the period such amount remains unpaid, commencing on the date stated in such notification and continuing until the same is paid in full, at the rate of 200 basis points in excess of the interest rate otherwise then in effect; provided, however, that such notification, or the lack thereof, shall not affect the existence of an Event of Default under Article V of this Agreement. In the event that Borrower fails to make any payment under this Agreement within fifteen (15) days after the date such payment is due, Borrower shall immediately pay to the Bank a late charge (the "Late Charge") equal to five percent of the required payment. The Late Charge shall be in addition to, and not in lieu of, any

other right or remedy the Bank may have and is in addition to any reasonable fees or charges of any agents or attorneys to which the Bank may be entitled pursuant to the terms hereof.

Section 1.6. **Method of Payment.** Whenever any payment of principal or interest to be made hereunder or under the Note becomes due on a Saturday, Sunday, or public holiday or the equivalent for banks generally under the laws of the Commonwealth of Virginia (any other day being a "Business Day"), such payment may be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of the amount of interest then to be paid. All payments and prepayments hereunder shall be made to the Bank at its address stated on the first page hereof, in such money of the United States as at the time of payment shall be legal tender for the payment of public and private debts and in immediately available funds. Each payment shall be received by the Bank no later than 2:00 p.m. Eastern Time, and any payment received after such time shall be treated as received on the next Business Day.

ARTICLE II.

Section 2.1. **Collateral.** To secure repayment to the Bank of all Advances under the Line of Credit and the interest payable on such amounts, and to secure all other obligations of Borrower to the Bank, Borrower hereby reaffirms its prior grant and further conveys, assigns and grants to the Bank a security interest in the following collateral now owned or hereafter acquired by Borrower and in Borrower's expectancy to acquire such collateral in the ordinary course of its business and affairs:

(a) the cartridge or cartridges or spool or spools of machine-readable computer tape containing the mailing list or lists of Borrower that Borrower proposes to use in soliciting contributions to Borrower during 1997 and 1998, known as the "Sustaining Members Master File," together with copies of all software and other information necessary to permit the Bank to read such tape;

(b) all money, instruments, accounts receivable, general intangibles, chattel paper, deposit accounts and other personal property now owned or hereafter acquired by or on behalf of Borrower in response to fundraising solicitations; and

(c) all cash and non-cash proceeds of the foregoing (all collectively the "Collateral").

Section 2.2. **Conditions Precedent.** The Bank's obligations under Section 1.1 hereof will be subject to the fulfillment of the following conditions precedent in manner and form satisfactory to the Bank and its special counsel, upon fulfillment of which the Bank will execute and deliver this Agreement (the "Closing Date"):

(a) Borrower will have delivered to the Bank

(i) an opinion of Borrower's general counsel, in form and substance satisfactory to the Bank;

(ii) a certification of authority for Borrower, substantially as set forth in Exhibit B hereto, duly executed by the officers of Borrower specified therein;

(iii) duplicate originals of this Agreement, duly executed by Borrower;

(iv) the Note, duly executed by Borrower;

(v) the collateral described in Section 2.1(a) hereof, and the collateral described in Section 2.1(b) now owned by Borrower;

(vi) evidence satisfactory to the Bank that the collateral described in Section 2.1(a) hereof, if used in accordance with customary direct mailing procedures, is reasonably capable of producing contributions in the amount of at least $40,000,000 in each fiscal year;

(vii) copies of all approvals or other actions necessary under its organization or governance documents for authorization of the execution, delivery and performance of this Agreement and the Note;

(viii) financial statements, as described in Section 4.1(a) hereof with respect to the last fiscal year of Borrower;

(ix) a copy of Borrower's current statement of organization as filed by it under Section 303 of the Federal Election Campaign Act of 1971, as amended (the "FEC Act"); and

(x) a financing statement covering the Collateral.

(b) There shall not have occurred any Event of Default or event which, with due notice or lapse of time or both, would constitute an Event of Default ("Incipient Default") under this Agreement.

(c) There shall not have occurred any material adverse change in the financial condition or results of operation of Borrower between the date and period covered by the financial statements delivered pursuant to subsection (a)(viii) and the Closing Date.

ARTICLE III. WARRANTIES AND REPRESENTATIONS

Section 3.1. **Organization**. Borrower hereby warrants and represents that it is an unincorporated association validly existing under the laws of, and with an office, its financial and other records and its principal place of business in, the District of Columbia; that it is a national "political committee," as defined in Section 301(4) of the FEC Act and the "national committee" of the Republican Party as defined in Section 301(14) of the FEC Act; and that it has filed with the Federal Election Commission ("FEC") or custodians for FEC as designated in the FEC Act all required registrations and reports in order to be in compliance with applicable requirements of the FEC Act and regulations thereunder.

Section 3.2. **Authority; Approvals**. Borrower hereby warrants and represents that the persons executing this Agreement and the Note on its behalf are duly authorized to enter into this Agreement, to issue the Note and to bind Borrower to perform this Agreement and the Note in accordance with its respective terms; that the execution and performance of this Agreement and the Note are within the duly authorized powers of Borrower and do not contravene any law, rule, or regulation applicable to Borrower, any organizational documents, by-law or rule (including, without limitation, the Rules of the Republican Party as adopted at its 1996 National Convention) governing Borrower, or any contractual obligation binding upon Borrower; that the lawful execution, delivery and performance of this Agreement and the Note do not require any filing with, notice to or approval by the FEC or any other governmental entity, except for filings of reports or schedules with the FEC subsequent to delivery of this Agreement; and that this Agreement and, when issued, the Note will be valid, legal and binding obligations of Borrower enforceable in accordance with their respective terms.

Section 3.3. **No Prior Interests.** Borrower hereby warrants and represents that none of the Collateral described in Section 2.1 hereof is subject to any assignment, claim, security interest or other lien or encumbrance except security interests granted to the Bank, and the security interest of the Bank in the Collateral is a valid and perfected security interest enforceable against the Collateral in accordance with its terms.

Section 3.4. **No Default.** Borrower hereby warrants and represents that no event has occurred and no condition exists which, upon the execution of this Agreement, would constitute an Event of Default or Incipient Default hereunder, nor is Borrower in default under any other agreement, organizational document, statement of policy, by-law or other instrument to which it is a party or by which it may be bound.

Section 3.5. **Litigation.** There are no actions, suits or proceedings pending or threatened against or affecting Borrower or the properties of Borrower before any court or governmental department, commission, board, bureau, agency or instrumentality which, if determined adversely to Borrower, would have a material adverse effect on the financial condition, properties or operations of Borrower, except as disclosed on Schedule 1 hereto.

Section 3.6. **Financial Condition.** The financial statements of Borrower previously provided to the Bank as of the end of and for its last fiscal year and subsequent quarters are correct and complete and present fully and fairly its financial condition and results of operations in accordance with generally accepted accounting principles, and there has been no material adverse change in the financial condition of Borrower since the date of its last financial statements delivered to the Bank.

ARTICLE IV. COVENANTS

Section 4.1. Records; Reports. Borrower will keep full and accurate records of all money, instruments, securities and other personal property received by or on behalf of Borrower in response to fundraising efforts or otherwise, and will permit the Bank or any of its agents to call at Borrower's office or offices at reasonable times and intervals and, without hindrance or delay, to inspect, audit, review such records or any other documents relating to them. Borrower also will, without limitation, deliver to the Bank:

(a) Within 120 days after the close of each fiscal year audited combined financial statements for Borrower and other affiliated committees that have been included in its combined financial statements for fiscal years 1996 and 1997, each including a statement of financial position, a statement of activities, a statement of cash flows, and all scheduled information, prepared in accordance with generally accepted accounting principles ("GAAP") applied on a consistent basis and certified by independent certified public accountants of recognized national standing who will render an unqualified opinion with respect thereto;

(b) within 60 days after the close of each quarter of each fiscal year a management prepared statement of receipts and disbursements of Borrower;

(c) as soon as available but in no event later than January 31 of each fiscal year a budget, in reasonable detail, of projected receipts and disbursements for Borrower's fiscal year; and

(d) upon reasonable written request by the Bank at any time in which any amount is outstanding under the Note, Borrower shall promptly deliver to the Bank copies of any other

financial statement prepared by or for the use of Borrower and any other reports filed with the FEC.

Section 4.2. **Protection of Rights.** Borrower agrees that, upon request by the Bank, it will execute and deliver any financing statements, amendments, collateral assignments, instruments and similar documents that may reasonably be deemed by the Bank to be necessary for the perfection or protection of the Bank's rights as a secured creditor under or arising out of this Agreement, and will, without limitation of the foregoing, further provide such software, information, support, or other material as may be deemed by the Bank to be necessary to enable the Bank to read, use and validate the authenticity of the Collateral containing the Sustaining Members Master File; provided, however, that this provision is not intended to require Borrower to grant to the Bank any new or additional rights not contemplated by this Agreement.

Section 4.3. **Good Standing; Maintenance of Office and Records.** Borrower agrees that, during the term of this Agreement, it will maintain its present status, as stated in Section 3.1 hereof, under the FEC Act; that it will comply with all registration and reporting requirements and all other applicable requirements of the FEC Act and regulations thereunder; and that it will not remove its office and principal place of business from the District of Columbia and will not transfer its financial or other records from the District of Columbia, without 30 days prior written notice to the Bank.

Section 4.4. **Receipt of Funds.** All money, instruments and other personal property ("receipts") received by Borrower in response to fundraising efforts or otherwise, will be delivered to the Bank as Collateral hereunder as soon as practicable after receipt by Borrower.

Delivery will be made by messenger provided by the Bank no less frequently than once each Business Day. Borrower will not commingle such receipts, prior to their delivery to the Bank, with the funds or personal property of any other person and will hold such receipts as collateral for the Bank. Such receipts constitute part of the Collateral described in Section 2.1 hereof; provided that, unless and until an Event of Default occurs hereunder, Borrower shall be entitled to use all such receipts for its valid purposes and operations.

Section 4.5. **Deposit Accounts.** Borrower will maintain at the Bank its primary operating deposit accounts and will cause to maintain in full force and effect a commercial lockbox service with the Bank.

Section 4.6. **Defense of Security Interest.** Borrower will defend the Bank's security interest in the Collateral hereunder against all claims and demands of any person claiming any interest therein equal or superior to that of the Bank.

Section 4.7. **Revenue Requirements.** Borrower will use its best efforts to achieve total gross receipts of at least $50,000,000 during each fiscal year.

Section 4.8. **Legal Compliance.** Borrower shall comply with all laws, rules, regulations, orders, judgments, decrees and reporting requirements applicable to it or to its officers or assets.

Section 4.9. **Indebtedness; Encumbrances.** Borrower will not create, incur, assume, become obligated for (including, without limitation, by guaranty of obligations of any other Person) or permit to exist, directly or indirectly, indebtedness of Borrower or any encumbrances of any kind upon any of its assets except (i) indebtedness and encumbrances to the Bank; (ii) current accounts payable or accrued incurred by it in the ordinary course of its

business, provided that the same are paid when due in accordance with customary trade terms; (iii) indebtedness and encumbrances in existence on the Closing Date; (iv) additional indebtedness and encumbrances not to exceed $500,000 in aggregate amount; and (v) additional indebtedness and encumbrances incurred after receipt of written consent by the Bank.

Section 4.10. **Debt Ratio.** Borrower, on a combined basis, will not cause or permit the ratio of its indebtedness for borrowed funds to its tangible net worth, as determined under GAAP, to be in excess of 2.25:1.0 at the close of fiscal year 1997, and 2.5:1.0 at the close of fiscal year 1998.

Section 4.11. **Year 2000 Compliance.** Borrower shall use its best efforts to take all action necessary to assure that Borrower's computer-based systems are able to operate and effectively process data including dates on and after January 1, 2000. At the request of Bank, Borrower shall provide Bank assurance acceptable to Bank of Borrower's Year 2000 compatibility.

ARTICLE V

Section 5.1. **Events of Default.** Each of the following shall constitute an Event of Default under this Agreement:

(a) failure by Borrower to pay or cause to be paid when due under this Agreement or any other credit agreement with the Bank to which Borrower is a party or upon demand by the Bank, any amount required to be paid by Borrower pursuant to Article I hereof or pursuant to such other credit agreement;

(b) failure by Borrower to perform any covenant, condition or agreement which it is obligated to perform hereunder or under any other instrument or agreement binding upon it, if such failure shall continue for more than 15 days;

(c) the making or furnishing by Borrower to the Bank of any materially false representation, warranty, opinion or certificate as set forth in this Agreement or otherwise made in connection with this Agreement;

(d) the entry of a judgment, decree or order against Borrower by any court of record for the payment of any sum of money in excess of $500,000 or prohibiting it from performing any covenant or other obligation hereunder or attaching any material portion of its assets, if such judgment, decree or order remains unstayed for a period in excess of 30 days;

(e) the security interest in any material portion of the Collateral shall, for any reason, cease to be a valid and preferred first priority security interest;

(f) Borrower shall generally not pay its debts as they become due or admit in writing its inability generally so to pay its debts, make an assignment for the benefit of creditors, seek an order for relief in bankruptcy, become insolvent or bankrupt within the meaning of the Federal Bankruptcy Code, petition or apply to any tribunal for the appointment of any receiver, custodian, liquidator, trustee, or similar official (hereinafter "Official") for it or any substantial part of its property, commence any proceeding relating to it under any reorganization, arrangement, readjustment of debt, conservatorship, receivership, dissolution or liquidation law or statute of any jurisdiction (including, without limitation, the Federal Bankruptcy Code) or there shall be commenced against it any such proceeding which remains unstayed or undismissed for a period of more than sixty (60) days, or it shall consent to, approve of or acquiesce in any

such proceeding or the appointment of any such Official, or it shall suffer any such proceeding to continue undischarged for a period of more than sixty (60) days; or

(g) Borrower shall have suffered a material adverse change in financial condition; any opinion delivered or deliverable to the Bank pursuant to Section 4.1(a) hereof shall have questioned Borrower's ability to continue as a going concern; or Bank shall have otherwise determined in good faith that the prospect for payment by Borrower of any amount required to be paid by Borrower under this Agreement, as and when due, is impaired.

Section 5.2. **Remedies on Default.** Whenever any Event of Default shall have occurred and be continuing, the Bank will have all of the remedial rights of a secured party and creditor under this Agreement, the Note, the Uniform Commercial Code as enacted in the applicable jurisdiction governing this Agreement, and under other applicable law, including, without limitation, the right to liquidate the Collateral and apply the proceeds against Borrower's obligations hereunder and the right to apply to a court of equity for injunctive relief; provided, however, that, with respect to that portion of the Collateral known as the Sustaining Members Master File, Borrower shall have 90 days from the date of an Event of Default to liquidate such File for proceeds sufficient to repay in full all obligations of Borrower to the Bank before the Bank may liquidate such File. Upon occurrence of any Event of Default, Bank may, by written notice to Borrower, elect to make no further advances under the Line of Credit (if such event of Default occurs before expiration of the Availability Period) and may declare the entire indebtedness of Borrower then outstanding under the Note immediately due and payable without presentment, demand, protest, notice of protest or any other notice of any kind, all of which are hereby expressly waived.

Section 5.3. **Exercise of Remedies.** No right, remedy or power conferred upon or reserved to the Bank under this Agreement or the Note or arising out of this Agreement or the Note is intended to be exclusive of any other available right, remedy or power, but each and every such right, remedy or power will be cumulative and will be in addition to any other right, remedy or power given under this Agreement or the Note or now or hereafter existing at law or in equity or by statute. No delay or omission by the Bank to exercise any right, remedy or power accruing upon any Event of Default shall impair any such right, remedy or power or be construed to be a waiver thereof, unless such waiver is in writing, signed by the Bank, and then only to the extent set forth therein. Any right, remedy or power of the Bank hereunder may be exercised from time to time and as often as may be deemed expedient by the Bank, and a waiver by the Bank on one occasion shall not be construed as a bar to, or waiver of, any such exercise on any other occasion. In order to entitle the Bank to exercise any right, remedy or power reserved to it under this Agreement or the Note, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

Section 5.4. **Fees and Expenses.** In the event that the Bank should engage attorneys or incur other expenses for the enforcement of performance or observance of any obligation or agreement on the part of Borrower contained herein or in the Note, Borrower agrees that it will on demand pay to the Bank the reasonable fees of such attorneys and such other expenses so incurred, whether or not suit is brought.

ARTICLE VI. MISCELLANEOUS

Section 6.1. **Choice of Law**. This Agreement shall be governed by and shall be construed in accordance with the laws of the Commonwealth of Virginia.

Section 6.2. **Power of Attorney**. Schedule H2 & H3 Fundraising event: In preparing for the fundraising event at issue, the RNC anticipated that funds would be deposited into both its federal and nonfederal accounts, treating the fund-raiser as a joint federal/nonfederal event. As a result, it estimated the federal as well as the nonfederal share of costs. The RNC made expenditures for the events out of the federal account as required by FEC Regulations at 11C.F.R. sec. 106.5(f) It was only after the final tally of receipts at the end of the month that it became apparent that the proceeds were nonfederal. The nonfederal transfer for the events will be reported on next months H3.
