In response to the RFAI dated January 10, 2024.
An amendment to the October quarterly was filed on December 28, 2023, due to a miscommunication within the campaign staff. It was believed that invoices to an attorney had been paid separately by two different parties, when in fact neither had paid them. The attorney brought it to the attention of the campaign and the invoices were promptly taken care of. Since the services had actually been rendered during the third quarter I believed that the report should be amended to properly reflect our outstanding debts. These debts were paid in the fourth quarter and that will be reflected on the year end report.
