Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.

We are submitting this Amended FEC Report in order to carry forward the corrected year-to-date figures disclosed on Column B of the Summary and Detailed Summary Pages. These changes reflect the addition of an in-kind contribution made on the Amended June Monthly Report, also filed today. There are no other changes to the report. Please update your records accordingly.
