Dear Mr. Baisden,

We are writing to inform you of our efforts to correct the public record. This committee did not make independent expenditures during the July Quarterly Reporting period and has amended its reports accordingly to remove line 24 entries.

The 24/48-Hour Notices filed May 14th and May 30th, 2024 were independent expenditures paid for and executed by Center Forward Initiative (C00875450). The committee has consequently amended the 24/48-Hour Notices to reflect that no independent expenditure activity took place during that time by Center Forward Committee.

Center Forward Initiative (C00875450) has properly reported these independent expenditures on its original July Quarterly Report filed July 15th and recently filed Amended July Quarterly report showing the ultimate payees for independent expenditures matching the incorrectly filed 48H notices under our committee ID number. For clarity on the public record, we are also requesting removal of the 24/48-Hour Notices that were mistakenly filed under this entity filed May 14th and May 30th, 2024.

Thank you,
Jefferies Murray
