WASHINGTON, D.C.

JEAN PAUL BRADSHAW, TREASURER
GRAVES FOR CONGRESS
PO BOX 201
PLATTE CITY, MO 64079

Response Due Date**10/07/2025**

IDENTIFICATION NUMBER: C00359034

REFERENCE: JULY QUARTERLY REPORT (04/01/2025 - 06/30/2025)

Dear Treasurer:

This notice is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 7 item(s):

1. Schedule A of your report discloses one or more contributions that appear to be from a corporation(s) and/or labor organization(s) (see attached). 52 U.S.C. § 30118(a) and 11 CFR § 103.3(b) prohibit the receipt of contributions from corporations and labor organizations unless made from separate segregated funds established by the corporations and labor organizations.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

If you have received prohibited contributions, you must make a refund within 30 days of the treasurer becoming aware of the illegality of the contribution. (11 CFR § 103.3(b)(1) and (2))

Please inform the Commission of your corrective action promptly by filing an amended report or Miscellaneous Document (Form 99 for electronic filers). If a remedy will be disclosed in a future reporting period, please provide the date and amount of the remedy in your response. The committee should retain records of refunds of the contributions in question. Refunds must be reported on a Schedule B supporting Line 20(a) of the report covering the period in which the refund is made. (11 CFR § 104.8(d)(4))

Although the Commission may take further legal action concerning the

acceptance of prohibited contributions, your prompt action to refund the prohibited amount will be taken into consideration.

2. Schedule A of your report discloses one or more contributions that appear to exceed the limit set forth in the Act (see attached).

No political committee other than a qualified multi-candidate committee may make contributions to a candidate for federal office in excess of \$3,500 per election. The attached PACs did not meet the requirements for qualified multi-candidate status as of the date the contribution(s) was made to your committee. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (52 U.S.C. § 30116(a) and (f); 11 CFR § 110.1(b))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution(s) you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if, within 60 days of receipt, the excessive amount is properly redesignated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written authorization from the contributor to redesignate the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) the committee redesignates by presumption the excessive portion of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund (11 CFR § 110.1(b)(5)(ii)(B)). A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

Please inform the Commission of your corrective action promptly by filing an amended report or Miscellaneous Document (Form 99 for electronic filers). If a remedy will be disclosed in a future reporting period, please provide the date and amount of the remedy in your response. The committee should retain records of refunds and/or redesignations of the contributions in question. Refunds are reported on Line 20(c) of the Detailed Summary Page and on a

supporting Schedule B of the report covering the period in which they are made. Redesignations are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate the excessive amount will be taken into consideration.

3. Schedule A of your report discloses one or more contributions received after the 2024 primary election that are designated for the 2024 primary. These contributions may only be accepted to the extent that the committee has net debts outstanding from the 2024 primary election.

For more information on how to calculate net debts outstanding, please see page 30 of the Campaign Guide for Congressional Candidates and Committees, which is available online at <https://www.fec.gov/resources/cms-content/documents/candgui.pdf>. (11 CFR § 110.1(b)(3)(i))

A contribution is considered made when the contributor relinquishes control over the contribution. A contributor shall be considered to have relinquished control over the contribution when it is delivered to the candidate, to an authorized committee of the candidate, or to an agent of an authorized committee of the candidate. A contribution that is mailed to any of the aforementioned recipients will be considered made on the date of the postmark. Envelopes should be retained for the committee's records. A contribution made in an electronic transaction is considered to be made when the contributor authorizes the transaction. An in-kind contribution shall be considered to be made on the date that the goods or services are provided by the contributor. (11 CFR § 110.1(b)(6)) If any contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information. If a contribution was made by the contributor before or on the date of the applicable election, please amend your report to indicate this using memo text, or provide this information in a Miscellaneous Document (Form 99 for electronic filers).

If a contribution exceeds the amount of net debts outstanding from the 2024 primary election, you may have to refund or redesignate the contribution.

The funds can be retained if, within 60 days of receipt, the excessive amount was properly redesignated for a different election. An excessive contribution is

considered properly redesignated if (1) the committee obtains signed written authorization from the contributor to redesignate the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election, or (2) the committee redesignates by presumption the excessive portion of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B))

If the foregoing conditions for redesignations are not met within 60 days of receipt, the excessive amount must be refunded. See 11 CFR § 103.3(b)(3).

Please inform the Commission of your corrective action promptly by filing an amended report or Miscellaneous Document (Form 99 for electronic filers). If a remedy will be disclosed in a future reporting period, please provide the date and amount of the remedy in your response. The committee should retain records of refunds and/or redesignations of the contributions in question. Refunds are reported on Line 20(a), (b) or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate the excessive amount will be taken into consideration.

4. Schedule A of your report discloses one or more contributions that appear to be from a limited liability company(ies) (LLC) (see attached).

11 C.F.R. §110.1(g) allows the receipt of contributions from LLCs providing the LLC is treated as a partnership for tax purposes, and has not elected to be treated as a corporation by the Internal Revenue Service (IRS). Both LLCs that claim corporate status and those that are publicly traded would be treated as corporations for FECA purposes.

Please amend your report to clarify if the LLCs in question are treated as partnerships. If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

The Commission has approved the use of the following sample donor response form for committees that seek and accept contributions from LLCs to affirm to the recipient committee that the LLC is eligible to make the contribution and to satisfy the "best efforts" obligation to obtain contributor information: <https://www.fec.gov/resources/cms-content/documents/mtgdoc-24-53-A.pdf>.

If you have received prohibited contributions, you must make a refund. (11 CFR § 103.3(b)(1)) The refund must be made within 30 days of the treasurer becoming aware of the illegality of the contribution. (11 CFR § 103.3(b)(2))

Please inform the Commission of your corrective action promptly by filing an amended report or Miscellaneous Document (Form 99 for electronic filers). If a remedy will be disclosed in a future reporting period, please provide the date and amount of the remedy in your response. The committee should retain records of refunds of the contributions in question. Refunds must be reported on a Schedule B supporting Line 20(a) of the report covering the period in which the refund was made. (11 CFR § 104.8(d)(4))

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, your prompt action to refund the prohibited amount will be taken into consideration.

5. The totals listed on Line(s) 6(a), 6(c), 7(a), 7(c), 11(c), 11(e), 16, 17 and 22, Column B of the Summary/Detailed Summary Page(s) appear to be incorrect. Column B figures for the Summary and Detailed Summary Pages should equal the sum of the Column B figures on your previous report and the Column A figures on this report. Please file an amendment to your report to correct the Column B discrepancies for this report and all subsequent report(s) which may be affected by this correction. Note that Column B should reflect only the election cycle-to-date totals (11/6/2024 through 11/3/2026). (52 U.S.C. § 30104(b) and 11 CFR § 104.3)

6. Commission Regulations require the continuous reporting of all outstanding debts. This report omits debts itemized on your previous report(s). (11 CFR §§ 104.3(d) and 104.11) Please file an amendment to your report or provide clarifying information to disclose the current status of these omitted debts: Boyles Motors Inc for \$500.00, KWRT-AM / KWRT-FM for \$857.65, Missouri Right to Life PAC for \$1087.00, Stor Safe for \$1,000.00 and The Lukens Company for \$1,877.76.

7. Please be advised that the FEC Committee ID numbers for the following

contributions from political committees appear to be incorrect: NACSPAC (C30003297), International Union of Operating Engineers PAC (C70001037) and National Association of Letter Carriers PAC (C70001516).

Use of incorrect FEC Committee ID numbers may create difficulty in identifying the contributing committee for the public record. (11 CFR § 104.3(a)(4))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
