Reference: Amended August Monthly Report (7/01/00-7/31/00), received 8/22/00

Dear Mr. Murphy:

On November 22, 2000, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your November 29, 2000, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

Your letter states that to your knowledge your Amended August Monthly Report, filed on August 22, 2000, did contain a Schedule B supporting Line 23 of the Detailed Summary Page. Further, you have submitted a subsequent amendment on November 28, 2000. However, Commission records indicate that these amendments still do not contain a Schedule B supporting Line 23. Each contribution made to a federal candidate or committee must be itemized on Schedule B regardless of the amount contributed. 11 CFR §104.3(b)(3)(v) Please provide the missing schedule.

An adequate response must be received at the Commission by January 3, 2001. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response
submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

If you should have any questions related to this matter, please contact Antoinette Kitchen on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.
