Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the Statement of Organization referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received by the response date noted above.** Additional information is needed for the following 2 item(s):

1. Your Statement of Organization (FEC Form 1) reports information about a Principal Campaign Committee; however, your filing fails to disclose information about the candidate. Commission Regulations require that the Statement of Organization disclose the name of the candidate, the office sought and party affiliation of the candidate. (11 CFR 102.2(a)(v)). Please amend your Statement of Organization to include the name of the candidate.
2. Your committee failed to designate a campaign depository on Line 9. Please be advised that each registered political committee must designate a campaign depository or depositories. The committee must maintain at least one checking account or transaction account at one of the depositories. Please amend your Statement of Organization (FEC Form 1) to disclose the committee's depository. (11 CFR § 102.2(a)(1)(vi) and 11 CFR §103.2)

Please note you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
