Re: August Monthly Report (07/01/09-07/31/09)

Dear Ms. Winship:

Behr Dayton Thermal Products inadvertently mailed a check to our lockbox that was intended for someone else. The bank processed and deposited this into our account and we subsequently refunded Behr Dayton.

The original refund check was issued July 2, but it was lost in the mail and never received. We voided that check in July and issued a replacement refund check on July 24th. The voided entry in August was a clerical error and we have amended our report (and all subsequent reports) to reflect that change.
