This report is correcting technical errors calculating year to date amounts. Previous text: This report is amended to reflect changes related to ADRs 849 and 856 and resulting internal audit of the Committees calendar year 2016 based on the available records. This amendment updates cash on hand balances. Previous text: This Committee responds to the August 15, 2016 RFAI concerning the Committee's May monthly report, with response due September 19, 2016, as follows: 1. Due to normal fluctuations in Committee program activity, expenditures included in monthly estimates are occasionally different from the estimated amount, or are never actually made. In cases where an expenditure is never made, that is, where the actual amount spent is \$0.00, the Committee does not include it on Schedule E of the corresponding periodic report. The expenditures at issue here were never actually made, and so have not been included on Schedule E of this report. 2. This report has been amended to properly disclose Carey account expenditures on line 29, instead of line 21(b).
