Dear Mr. Kane:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A supporting Line 11(a)(i) of your report discloses contributions received through what appears to be a payroll deduction plan. Please amend your report to disclose the amount deducted per pay period and the frequency of the deduction. 11 CFR §104.8(b) Please refer to the enclosed sample of properly reported payroll deductions.

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

### Payroll Deductions

Once an individual’s deductions aggregate over $200 in a calendar year, report the total amount deducted from the donor’s paychecks during the reporting period on Schedule A. In parentheses indicate the amount that was deducted each pay period. Instead of stating a specific date of receipt, write “payroll deduction” under “Date.” The other itemized information, including the year-to-date total, must be completed for each donor. 104.8(b).

**Example:** During an election year, a corporate manager authorizes her employer to deduct $15 per pay period (each pay period is two weeks) for the company’sSSF. TheSSF, which files FEC reports on a quarterly schedule, includes the manager’s first-quarter contributions ($90 for six pay periods) as “itemized contributions” on Line 11(a)(ii) in the April quarterly report.

By June 30 (the closing date for the July quarterly report), 12 pay periods have passed, and the manager’s aggregate contributions are $180—all below the $200 itemization threshold. The manager’s second-quarter contributions again are included in “itemized contributions” in the July report.

By September 30 (the closing date for the October quarterly report), 18 pay periods have passed, and the manager’s contributions reach $270. Now the committee itemizes the total contributions received from the manager during the third quarter ($90), providing the year-to-date total in the appropriate space. (See item A in the illustration above.)
