10/25/18 RFAI regarding 48-Hour Report, Filed 10/3/18 and
10/25/18 RFAI regarding 48-Hour Report, Filed 10/7/18

Dear Ms. Juris,

I am writing as counsel to Win Justice in response to the Commission's two October 25 Requests for Additional Information (RFAIs) related to the 48-Hour Reports filed by Win Justice on October 3 and October 7, 2018.

The amounts for total calendar year-to-date spending per election were left blank on these two reports because the payments to the reported payees had not yet been made, although the independent expenditure communications had been distributed to the public and were thus reportable. Based on your conversation with the developer of our filing software, we now understand that we should have marked these disseminated-but-not-yet-disbursed independent expenditures as memo items and entered \$0 in the total calendar year-to-date spending per election for office sought fields. Today we are filing amended versions of these reports in accord with that guidance from you. (I note that we are filing these amended reports via the Commission's webform, which flags memo items as "[MEMO ITEM]" on the first page of the report but only as "X" on subsequent pages. We trust that this oddity of the Commission's reporting form will not be interpreted as a defect in the filing.)

I believe that the amended reports filed today fully address the concerns raised in the two above-referenced RFAIs. If you have any further questions regarding this matter in the meantime, please feel free to contact me at 202-328-3500.

Very truly yours,
/s/ John Pomeranz
Counsel to Win Justice
