**RE: Tulsa County Republican Committee's Request for Termination  
of Registration and Reporting Obligations**

Dear Mr. Avertt:

On January 10, 1996, I sent to you the enclosed letter. I do not see in my file that I have received any response or direction from you in regards to our terminating reporting requirements.

We continue to not receive any funds from federal candidates or for federal candidates or on their behalf. Likewise, we have not for at least six (6) years expended any funds on those individuals seeking federal elective office.

Please let me know what steps can be taken to terminate our registration and reporting obligations.

Very truly yours,

  
Terry A. Simonson  
Chairman

**Re: Tulsa County Republican Committee's request for termination of registration and reporting obligations**

**Dear Mr. Averett:**

Pursuant to the directions which I had been given by Dominique Dillensager, please accept this as a formal request by the Tulsa County Republican Committee to terminate its registration with the Federal Election Commission and to cease its reporting requirements. As I understand it from Mrs. Dillensager, a committee is eligible to terminate by filing a termination report. I would request of you that an FEC Form 3x be forwarded to my attention for completion.

For your information, any and all receipts and disbursements may or might have been received or used in a Federal Election have been fully accounted for. As a point in fact, such activity of income and expenditures has not occurred within the Tulsa County Republican Committee for over a 6 year period of time. There are no residual funds and there is no ongoing enforcement matter which involves the Tulsa County Republican Committee.

Please forward the required forms to my attention so that we might promptly return them to you with our request to terminate registration and reporting obligations.

Very truly yours,

Terry A. Simonson  
Chairman
