Re: Committee C00562199
Singh For Congress 2014

Dear Deborah Chacona,

I spoke to a representative of the FEC today.

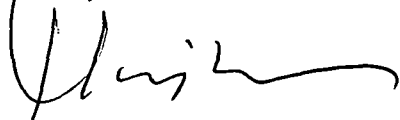

I have not spent, nor raised, more than \$5000 for this committee. Nor do I intend to use this committee at any time in the future.

I was under the belief that this committee had been terminated.

I formally request to terminate the committee listed above.

Please let me know if there is any additional information required or any other actions on my part.

Sincerely,

Navraj Singh
