RE: Bonnie Watson Coleman for Congress
FEC ID: C00558437

Dear Mr. Dobi,

This submission is in response to the Commission's letter dated 11/24/24. This letter was in reference to the committee's October Quarterly Report.

Judith A. Persichilli was identified by the committee as exceeding their cycle limits. The contributors' record was duplicated in the committee's software and corrected. We refunded the excessive portion of their contributions within 60 days of receipt. This refund is reflected on the Post-General Report filed on 12/5/24.

Dermaedge Consulting LLC was identified by the committee as a possible prohibited contribution and was refunded on 10/2/24. This refund is reflected on the Pre-General Report filed on 10/24/24.

Ali Butt Holdings LLC and Genova Burns LLC were identified by the committee as contributions from possible prohibited entities. These contributions were refunded and are reflected on the Post-General Report filed on 12/5/2024.

As soon as the contributions to Ali Butt Holdings LLC and Genova Burns LLC were identified as impermissible, the Committee took prompt action to refund the donors.

Due to a clerical error, the contribution from Engineers Political Education Committee (EPEC) was reported with an incorrect FEC ID. We will be amending the October Quarterly Report to reflect the correct FEC ID of C00029504.

The Committee takes its filing obligations seriously and makes every attempt to comply with the requirements. We hope this letter addresses the request. If you need any further information, please contact the committee.

Thank you,

Aaron T. Watson, Treasurer
Bonnie Watson Coleman for Congress
