The contributions that were miscoded as possible excessive contributions have been corrected. It was a data entry error on the part of the committee. With regards to missing 48 contributions, they were made through act-blue and the committee did not receive the contribution in hand until 12/5/08 which was report on our reports. The Negative balance on our report is because a debt the committee has that has been reported. We are working to clear up said debt. We are constantly working to update our occupation employer information and will in the future. Lastly we have explained the missing purpose information and corrected the incorrect election designations.
