Response Due Date**04/27/2026**

IDENTIFICATION NUMBER: C00857714

REFERENCE: YEAR-END REPORT (10/01/2025 - 12/31/2025)

Dear Treasurer:

This notice is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 5 item(s):

1. The totals listed on Lines 6(a), 6(b), 6(c), 7(a), 7(b), 7(c), 11(a)(i), 11(a)(ii), 11(a)(iii), 11(c), 11(e), 14, 16, 17, 19(a), 19(c), 20(c), 20(d), 21, and 22, Column B of the Summary/Detailed Summary Pages appear to be incorrect. Column B figures for the Summary and Detailed Summary Pages should equal the sum of the Column B figures on your previous report and the Column A figures on this report. Please file an amendment to your report to correct the Column B discrepancies for this report and all subsequent report(s) which may be affected by this correction. Note that Column B should reflect only the election cycle-to-date totals (11/6/2024 through 11/3/2026). (52 U.S.C. § 30104(b) and 11 CFR § 104.3)
2. The beginning cash balance of this report does not equal the ending balance of your 2025 October Quarterly Report. Please correct this discrepancy and amend all subsequent reports that may be affected by the correction. (52 U.S.C. § 30104(b)(1) and 11 CFR § 104.3(a)(1))
3. Schedule A of your report discloses aggregate election cycle-to-date total(s) for some contribution(s) (see attached) which appear to be incorrect. Please amend your report to provide the correct aggregate election cycle-to-date totals. Please note that this problem frequently occurs when the contributor name is entered in the committee's electronic reporting database more than once using a different spelling and/or format. This prevents the database from properly aggregating contributions from the same individual or entity. Entering correct

election cycle dates and ensuring that the name of each contributor is entered into the database only once would help avoid election cycle-to-date errors. When reporting contributions from political action committees, using the contributor's FEC identification number will help prevent duplicate entries. (11 CFR § 104.3(a)(3))

4. Schedule B of your report discloses disbursements to ADP for "payroll". Please be advised that when itemizing disbursements to companies for payroll services, if the payment to the salary recipient aggregates in excess of \$200 in an election cycle, a memo entry including the name and address of the individual receiving the salary, as well as the date, amount, and purpose of the original disbursement must be provided. Please amend your report to include the missing information or provide clarifying information if memo items are not required. (11 CFR § 104.9)

5. Schedule D of your report discloses debts for which you have used the committee's name as the creditor. Commission Regulations require the full name and mailing address of each creditor, the outstanding balance at the beginning and end of the reporting period, any amount incurred during the reporting period, any payment made during the reporting period, and the nature or purpose of each debt. Additionally, all debts must be reported continuously until extinguished or settled. Please amend your report to include the name of the creditor for the following debts: the \$33.98 debt for website hosting, the \$75.62 debt for event garnishments, the \$5,000.00 debt for campaign software, the \$15,498.97 debt for campaign mileage, and the \$20,000.00 debt for research payment to vantage intelligence. (11 CFR §§ 104.3(d) and 104.11)

- Schedule B of your report discloses disbursements to apparent conduit ActBlue for "platform fees."

For your information and consideration when preparing future filings, please be reminded that when a committee receives an earmarked contribution(s) through an allowable conduit, each individual contribution must be itemized when the individual's total contributions to your committee aggregate over \$200 per election cycle. This itemization must include the full name, address, occupation, and employer of the individual contributor along with the date the contribution(s) was received by the conduit. Any un-itemized contributions received through the conduit must be included in your totals on Line 11(a)(ii) of the Detailed Summary Page.

In addition, information regarding the conduit or intermediary for each contribution must be itemized on Schedule A as a memo entry. The conduit's full

name and address (and occupation and employer if the conduit is an individual) must also be provided, along with the date the contribution(s) was received by your committee and the total amount of earmarked contributions received from the conduit.

You can refer to the FEC Campaign Guide for Congressional Candidates and Committees for further guidance on how to report earmarked contributions through a conduit. (11 CFR § 110.6(c)(2))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
