Cash-on-hand updated 1. The excessive contributions were memo records. These donations were reallocated by Obama Victory Fund. We have now received the reallocation information and have amended our reports to reflect that reallocation. 2. The donors with foreign addresses were vetted by Obama Victory Fund and none of our donors were foreign nationals. This is the clarifying information they provided to the FEC: You requested additional information regarding contributions to the Committee from individuals with mailing addresses outside of the United States of America. The Committee has established a complex and thorough vetting system which meets and surpasses the procedural requirements of the Federal Election Campaign Act (the Act ) and Commission regulations to ensure that the Committee does not knowingly accept, and has not knowingly accepted here, any contributions from foreign nationals or from other prohibited sources. In designing and implementing its contribution vetting system, the Committee has given special care to the process of accepting contributions from donors who may live abroad to ensure that contributions are not knowingly received from foreign nationals. Donors who contribute online are required to check a box confirming that they are either a United States citizen or a lawfully admitted permanent resident of the United States. Donors who enter a foreign address are further required to enter a valid U.S. passport number before making a contribution. The Committee then follows up with such donors to request a copy of their U.S. passports and engages in a careful screening process to vet and examine each donor to ensure they are not a foreign national and to confirm the validity of each contribution. Individuals who make contributions to the Committee in person at events held outside the United States are separately required to provide a copy of a valid U.S. passport and submit a contribution form confirming they are not a foreign national. Any contribution found to be from a foreign national or any other prohibited source is promptly refunded. Given this process, the Committee has information for all of the contributors identified in your request for additional information confirming, to the best of the Committee's knowledge, that none of them are foreign nationals or their contributions have been refunded. 3. The \$1,000 contribution from the General Electric PAC was received in 2011 prior to New Year's, but not deposited until January 3, 2012. The federal reports have been amended to reflect we received the funds and subsequent reports amended with changes to cash-on-hand. 4. Missing address has been added. 5. The per diem pay was made in lieu of travel and subsistence reimbursements based on our regular per diem policy. These were not petty cash disbursements. 6. The Printing-Handbill and the Handout-No FEA were Generic campaign activities and the entries have been amended. All of the other Schedule B payments met the definition of exempt activity as you described and none of the transfers we received were to specifically fund these activities. 7. The disbursement for Printing-GOTV-Exempt-
