To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above referenced report. Please see below for our complete response.

Our committee does have in place a system that meets the best efforts standard established by the Commission. All of our original solicitations have the request for employer and occupation information on them. We inform the potential donor that we are required by federal law to request this information. For the donors that do not provide that information, we automatically send them a written request for it within 30 days. This follow up does not request any additional monies, includes a pre-addressed return envelope and again informs the person of the federal requirement for requesting this information. Finally, we add the new information to our database and include it in amended reports filed with the commission and subsequent reports going forward.

The contributions from that appeared to be from unincorporated proprietorships or partnerships were the subjects of research on the part of the committee at the time of reporting. We attempted to verify that these funds were permissible and obtain contributing partner information but were ultimately unable to do so for Advanced Eyecare Centers, Bush Family Eye Care, LLC, Huffman & Sons Trucking, Illinois Oil & Gas Association and Mobile Vision of Illinois LLC. These contributions have been refunded and these refunds will be included in the upcoming October Quarterly report. We were able to obtain this information for Clark Gyure & Associates and memos for the partnership contribution will be included dated 7/8/2023 on the upcoming October Quarterly Report.

Thank you for the opportunity to respond. Please contact us if you need any additional information.

Sincerely,
Deborah K. Pittman
