Today I submitted 3 reports.
1- An amended April 15 Quarterly Report for the 1st Quarter of 2026
2- An amended 12 Day Pre-Primary Report for the 2026 Primary
3- A July 15 Quarterly Report for the second quarter of 2026

Some background on the amended reports

April 15 Quarterly Report for the 1st Quarter of 2026
I had several mileage entries for campaign travel that I entered in this report as donations in kind. I had two transactions for \$20 for Netlify for website hosting that I had to reimburse a volunteer for.

12 Day Pre-Primary Report for the 2026 Primary
I had several mileage entries for campaign travel that I entered in this report as donations in kind. I had one transaction for \$20 for Netlify for website hosting that I had to reimburse a volunteer for. I had 3 donations by check with checks that were dated for the 12-day pre-primary but I didn't recieve or deposit until after the cut-off for the 12-day pre-primary.

I believe this is my final report covering all transactions through the July 15th Quarterly. It has been my pleasure to run for office. Thank you for being patient with my struggles being my own treasurer. I haven't decided if I will try to run again or not. It was a fun rewarding experience.
