As a result of a voluntary internal audit, we have discovered some information that must be revised and are in the process of updating our files to do so. We had hoped to file amended reports before filing this October quarterly report, but have encountered software issues that have delayed that process. Therefore, there will be a few numbers in this report that do not reconcile with previous filings. We plan to amend this report and the others shortly, which will bring all filings current with the updated information.
