Dear Ms. Kelly:

We write in response to your letter of February 15, 2020 regarding the Committee's Amended 30 day post-general report for the 2020 cycle.

Your letter raises two areas of concern. First, your letter notes that the Committee may have failed to file 48-hour notices regarding last minute contributions received. The donors listed in your letter were all earmarked contributions. The dates the contributions were received by the Committee were on November 2, 2020 which is outside of the 48-hour reporting period.

The second area of concern noted was that of 48-hour notices of contributions received that did not appear on the amended post-general report. Due to mis-communication, all the donors itemized in your letter, except for Lakminder Singh, were received on or before October 14, 2020, the cutoff for the pre-general report. A review of the pre-general report will show the listed donors. In the case of Mr. Singh, the 48-hour notice filed on October 21, 2020 was made in error. Mr. Singh's contribution was received on October 28, 2020 and reported on a 48-hour notice filed by the Committee on October 29, 2020.

We are hopeful that this letter is responsive to your concerns. Should you have additional questions on this filing, or any other matter, please be in contact with the committee. Thank you.
