FEC FORM 5

(5/2002)

Form/Schedule: F5N

Transaction ID:

The Fund acknowledges the requirement to file its Form 5 electronically, though it appears the Commission does not have the most current (revised May 2002) version of the form available for electronic filing use. There are several troubles extant in the form which cause data correctly entered in the text file to appear inaccurately in the graphic report as completed through the FECPrint.

Form/Schedule: F5N

Transaction ID: Line 2

The Fund has treated the question, Is the filer a registered non-profit organization?, as identical to the question on the current FEC Form 5 (revised May 2002), is the filer a qualified nonprofit corporation?, and answered Yes. The Fund is in fact a qualified nonprofit corporation per 11 CFR 114.10.

Form/Schedule: F5N
Transaction ID: Line 4

Please note that the Fund correctly identifies this report as our original filing (denoted by F5N) for the October Quarterly reporting period (denoted by Q3), but FECPrint software omits a checkmark in the box for the Type of Report and indicates that the filing is an amendment.

Form/Schedule: F5N
Transaction ID:

Commission staff assured us that the requirement for notarizing the Form 5 no longer exists, so no information appears in these fields on Page 1 of the report.
