The Committee is in receipt of the Commissions Request for Additional Information dated 10-05-2007 regarding the following issues. 1) The receipt for the Maricopa County Democratic Party was from permissible funds - it was transferred to the non-federal account as it was initially intended. A copy of the transfer paperwork has been forwarded to your attention at the FEC. The Contribution from the Emerge Arizona was from permissible sources however they have not filed their paperwork to become a PAC as of yet so the contribution but was refunded. A copy of the check has been forwarded to your attention at the FEC. 2) The Contribution from Phoenix Firefighters PAC was from permissible sources but it was intended for the non-federal account and has been refunded. A copy of the check has been forwarded to your attention at the FEC. 3&4) The totals have been amended due to an error found while researching the information for this amendment. It was discovered that there were fees paid and reported to NOVA Information Systems, Inc and American Express in error. These amounts were in fact refunds that were also reported on the original report. During bank reconciliation the bank statements report refunds in the same manner as refunds. The committee will be more cautious in the future. All other totals are correct on this amended report and all subsequent reports are being amended to reflect these changes. 5) The \$1,000 contribution marked as MEMO from Susan Ong is a MEMO entry for the Partner Share of the contribution in the same amount from 3200 N First Ave Limited Partnership. The donor indicated that she was the only contributing partner and it was reported as a MEMO as to not inflate the total contributions on the report. 6) After reviewing the calculations for the Administrative and Voter Drive Categories the Committee has found some errors in the actual labeling of the categories of some previously reported transactions. All reports have been amended that this discrepancy affected. Please note that the Committee has several different categories that are being used this calendar year to date and are identified as: Administrative, Administrative 2005-/2006, GOTV 2005/2006, Voter ID, Voter ID 2005/2006, Voter Registration, Voter Drive, and Voter 2005/2006. Each of these categories are reported as their own separate Year-to-Date totals and is considered to be an acceptable method of calculation per the FEC.

Form/Schedule: **SA15** Determination of usual and normal charges for Enhanced Voter File Access was calculated by the total cost of developing and hosting our online voter file and dividing it by the number for records within the file as well as the presumed number of overall users. The cost to the organization is then determined by the number of records requested and the length of time access will be granted. i.e. Statewide or congressional charges are based on the number of records in the district or entire states as requested. This same methodology is utilized for any and all entities that purchase the committees voter file.
