Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.

This report is being amended to include an unitemized receipt and bank fees not reported due to clerical errors in addition to carrying forward Year to Date total changes due to prior amendments. Please update your records accordingly.
