To Ms. Lauren Schleyer, please consider this as a direct response to our last conversation and your inquiry.

Every name below reflects contributions that were made during primary election 2024-not-general election 2024.

My Congressional campaign for New York's 22nd Congressional District came to a close in April 2024 and the campaign subsequently disbanded-this includes the fundraising apparatus.

Once again, no contributions for my Congressional campaign were received for general election 2024.

See below:
